WORKERS COMPENSATION ADJUSTER

Location: Corporate Office in South Sioux City, NE or Knoxville, TN

As a **workers' compensation adjuster** for Great West Casualty Company, you will be a member of a team that works with others in a collaborative environment. We believe in a proactive approach to managing and settling claims with excellent customer service and to do this we keep our case loads to a reasonable number. We allow our adjusters autonomy when handling their claims from beginning to end. Our partnership with our insureds is what keeps us a successful stable company.

To be successful in this position, you will have:

- Bachelor's degree.
- Minimum of 2 years workers' compensation adjusting experience with an insurance company or a private work comp vendor.
- Experience working with lost time and litigated claims in multiple jurisdictions.
- The desire and experience to stay up to date on workers' compensation laws, regulations and litigation procedures.
- Knowledge of medical terminology, treatments and severity of various medical injuries.

We offer you a challenging career with a competitive compensation and benefits package. To learn more about Great West or to apply by January 19, 2015, please view our website at www.gwccnet.com/careers. After visiting with us, you will agree that at Great West...The Difference is Service®.
