Bring your resume and friends.

We'll have on the spot interviews for several positions in our customer service department.

Cognizant offers:

- Competitive pay
- Medical/Dental/Vision/401K Plan
- Paid Vacation & Holidays
- Opportunities for career growth and advancement with a fast growing company
- Employee discounts & volunteer benefits

If you possess any of the following, you could be on the road to success:

- Customer service experience
- Data entry/back office experience
- Prior Call Center experience is preferred but not required
- A passion for providing outstanding service
- High School diploma or GED

Positions we're looking to fill immediately:

- Agent Support Representative
- Customer Service Representative
- Insurance Specialist
- Data Entry Clerks
