The world's leading private security organization, G4S, has an immediate job opportunity for a **Construction Security Officer**. As a Construction Security Officer, you will will conduct foot and/or vehicle patrol (interior and/or exterior), control access at points of entry, secure construction equipment, report and respond to emergency situations and act as a deterrent to criminal activity by presenting a highly visible presence.

G4S is a security provider for the United States government, fortune 500 companies, nuclear power plants, oil and gas companies, airport, ports, banks, hospitals, factories, warehouses, commercial facilities, residential communities and much more.

G4S offers job security, excellent pay and benefits, and career opportunities. We offer entry level careers, management careers, sales careers and executive careers across the United States and internationally.

## Main Responsibilities:

### Specific Duties and Essential Functions

- Perform security patrols of designated areas on foot or in vehicle
- Watch for irregular or unusual conditions that may create security concerns or safety hazards
- Sound alarms or calls police or fire department in case of fire or presence of unauthorized persons
- Warn violators of rule infractions, such as loitering, smoking or carrying forbidden articles
- Permit authorized persons to enter property and monitors entrances and exits
- Observe departing personnel to protect against theft of company property and ensures that authorized removal of property is conducted within appropriate client requirements
- Investigate and prepare reports on accidents, incidents, and suspicious activities; maintain written logs as required by the post
- Respond to emergencies within the limitations of training and certifications
- Provide assistance to customers, employees and visitors in a courteous and professional manner
- Secure construction equipment and materials
